HINTS & INFORMATION FOR EXHIBITORS

The Show is open for everyone to enter.

Not entered before? Why not enter a Novice class?

The single most important rule is to READ THE SCHEDULE. (e.g. number required) so that your exhibit is not classed as N.A.S. (Not According to the Schedule).and disqualified. Try to make your exhibit look as attractive as possible. All exhibits, whether they win a prize or not, go to make up the Show. Evenness, freshness and freedom from disease are more important than size, unless stated.

EXHIBITORS SHOULD COLLECT THEIR EXHIBITOR ENTRY CARDS FROM THE SECRETARY'S TABLE IN THE MARQUEE ON ARRIVAL.

Before judging, the stewards will make sure that all the entry cards are turned over, so that the exhibitor's name is not visible. After judging, they will be placed face upwards.

VEGETABLES

They should be cleaned, using plenty of water and a sponge. It makes for better presentation if tops are trimmed and bound with raffia, or an equivalent. Be careful when lifting carrots and parsnips not to break the long "tail".

1. Parsnips, carrots, cabbages, beans, and beetroot are laid on the table
2. Potatoes, tomatoes, shallots and peppers are best placed on a white paper plate.(supplied)
3. Shallots should be mounted on a dish of dry sand, and onions on cardboard rings, such as ones cut from kitchen roll containers
4. Brassicas should have not less than 75mm of stump left
5. All varieties of peas and beans should have stalks attached
6. Courgettes can be up to 200mm in length or 75mm in diameter for round cultivars

FRUIT

To be exhibited on white paper plates (supplied)

Try to avoid removing the natural "bloom" on all fruit, including apples and pears

With the exception of peaches, nectarines and apricots, all fruit should be shown with stalks

FLOWERS

Make sure that they are firmly in the vase, and drawing up water. You may use kitchen roll or newspaper to wedge the stems in the vase. Vases are provided unless otherwise stated.

If five blooms are asked for, arrange three above and two below, or vice versa. If three are asked for, place them two and one.

The size of the pot is the internal measurement. Avoid using outer containers for the pot. If the schedule states "not exceeding", you may use a smaller size.

CULINARY

Domed covers will be provided for entries once they are on the table. Labelling your exhibit underneath helps to avoid confusion in ownership. Please do not remove covers from the tent. **Dishes must not contain rice, pâté, meat, fish, cream or uncooked egg.** Use the freshest ingredients possible. All preserves to have new metal screw tops or wax disc and cellophane jam pot covers. Jars to be free of advertising. Labels to state type and day, month and year made.

HEAD: Knit 34 rows. Cast off .Repeat the instructions to obtain the other side of the Teddy **Or** do not cast off but repeat the instructions in reverse order for the second side
